**DETAILED ACTION*****Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on January 26, 2004 has been entered. This request for continued examination under 37 CFR 1.114 was never addressed before and was filed prior to the paper mailed by the Office on March 24, 2004 discussing the information disclosure statement submitted December 19, 2003 and is a timely request for review of the information disclosure statement submitted December 19, 2003.

***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on December 19, 2003 with a certificate of mail dated December 16, 2003 was filed through the certificate of mail before the mailing of a first Office action after the filing of a request for continued examination under 37 CFR 1.114 received on November 24, 2003 and of course prior to the request for continued examination under 37 CFR 1.114 received on January 26, 2004. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

The following is an examiner's statement of reasons for allowance: None of the art supplied in the IDS received December 19, 2003 teaches or suggests the strap body including a

first group of teeth having peaks at a first predetermined height and a second group of teeth having peaks at a second predetermined height, wherein the first group is closer than the second group to the first end with a locking head secured to the first end of the strap body as required by each of independent claims 1, 7, and 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
